ICT PROJECT : C I R C U L A R - 1

No.CW/Acad.I–1/Projects/2008   **Dated.06.12.2012**

Sub: INTERMEDIATE EDUCATION – Implementation of ICT Project in 700 Government Junior Colleges in the State – Certain instructions – Regarding.

*****

Government of Andhra Pradesh has decided to implement a **Information and Communication Technology (ICT) (computer education) Project** in 700 GJCs in the State. This project will be implemented from 2012–2013 academic year on Build, Own, Operate and Transfer (BOOT) model.

M/s. Pearson Educational Service Pvt. Ltd. has been appointed as a vendor to implement the project in Government Junior Colleges covering Srikakulam, Vizianagaram, Visakhapatnam, East Godavari, West Godavari, Krishna, Guntur, Kurnool, Kadapa, Anantapur, Chittoor, Nellore and Prakasam Districts.

Similarly, **M/s. Core Project & Technologies Limited** has been appointed as a vendor to implement the project in Government Junior Colleges covering Warangal, Khammam, Adilabad, Nizamabad, Karimnagar, Hyderabad, Rangareddy, Medak, Nalgonda and Mahabubnagar Districts.

The Principals of Junior Colleges which are selected under ICT project are hereby instructed the following:

1) Identify a suitable room to establish Computer Lab.

2) Principal shall cooperate and work in coordination with the representatives of the above companies to establish computer lab in their college.

3) The proposed computer lab room should be sufficiently big in size preferably of 30 x 20 feet dimension to accommodate 16 computers, printer and furniture for 30 – 40 students as well as one or two faculty.

4) The proposed computer lab room should be relatively secure so that there is less possibility of any theft taking place.

5) The Principal should note that the **contractor** (the above two companies) **will be responsible for the following :**

     a) Two Ceiling fans
     b) One Exhaust Fan
     c) Four Tube lights
     d) Electric Sub-meter
     e) False ceiling
     f) Ceramic Tiled flooring
     g) Networking cabling with suitable wall outlets
     h) Electrical wiring with one main MCB
     i) Painting of Computer Lab room
     j) Iron grill for doors and windows
     k) Fixing of name plate as **"Computer Laboratory"**
     l) one big door-mat

The **College is responsible for all the other improvements** which may include the following:

    i. Changing of roof or repairs to roof.
   ii. Fixing of doors and windows with shutters where ever they do not exist or are damaged
  iii. Plastering of walls, outside and inside, if needed.
   iv. LCD projector where it was supplied under e-class room project.
    v. Providing Electricity connection to room

In this regard, all the Principals of the selected colleges are hereby instructed that they are permitted to incur an expenditure up to Rs.25,000/- from special fee funds/any other accumulated funds on any improvements that need to be carried out on the rooms which is earmarked for the computer lab so as to make it fit to be handed over to the contractor for undertaking further improvements. For this purpose Principals need not send any specific proposals to the Commissioner for approval. They are permitted to do the work at their level straight away. However they should note that these repairs may be done only if really required.

However, where the cost of such repairs is more than Rs.25,000/- the Principal may send proposal to the Commissioner directly along with photographs and resolution of the college parent- teacher committee to accord approval.

Detailed instructions have been issued to all Principals regarding the procedure to be followed for undertaking minor repairs to civil structures in their colleges. A copy of this circular is enclosed.

Encl. : As above.   **Sd/-J.S.V.PRASAD**
