Cr.No.SPL/Electrical Power/2013, dated.27/06/2013

Most of the Principals have requested this office to permit them to make payments of electricity bills from Accumulated Special Fee Fund available with the college itself. The budget which is released by the Government towards electricity bills are not being drawn by the Principals in time. As a result even this limited budget is getting lapsed. Hence forth Principals shall take care to utilize the budget given to clear electrical dues as far as possible. However, the Principals of Government Junior Colleges are permitted to spend an amount not exceeding a total of Rs.15,000/- per annum towards electricity bills from Accumulated Special Fee amount hereafter every year.

All RJDs/DVEOs/Principals are here by instructed to take all possible measures to reduce electric power consumption in their offices/colleges. They are further requested to follow the following instructions to reduce power bills.

1. Office Subordinates shall be instructed not to switch on lights & fans until staff arrives to Office.
2. All light and fans shall be switched off immediately if staff is not in their seats.
3. All computer & related equipment shall be switched off when not in use.
4. Whenever a tube light & bulb is not working it shall be replaced with power saving bulbs only.
5. During day time all windows should be opened and they should work by utilize day light.
